

LOCAL NEWS.

TUESDAY EVENING, JULY 8.

Persons leaving the city can have the GAZETTE mailed to them, at any address, at the rate of fifty cents per month.

For this section showers this afternoon, south-westerly winds, warmer weather.

PERSONAL.—At the last, the 68th, annual meeting of the trustees of the Educational Society of Virginia, held at the Theological Seminary, Rev. H. S. Sizer, of this city, was elected treasurer in place of C. F. Lee, deceased, and Mr. J. T. Burke was elected a trustee.

Among those who attended the Fourth of July ball at the Hyacinth Hotel, at Old Point, was Miss Ella S. Sizer, of this city.

Miss Fannie Hunter, formerly of this city, has secured a position in the census bureau in Washington.

Mr. A. W. Barden, of this city, left Washington Saturday night as the guest of Nelson Division U. R. K. of P. of that city, to attend the biennial Knights of Pythias convocation to be held in Milwaukee this week. He was the only member of Rathbone Division U. R. K. of P. of this city, who was able to attend.

Mr. Dr. D. M. French, Mrs. Paulding, and Miss Smit left yesterday afternoon for Virginia Beach to spend a week or so.

Mrs. Martha Gartin and family will leave tomorrow for Ocean Grove, where they will spend the summer.

Mrs. John T. Cox and children left to-day for Spring Grove, Caroline county, to spend the summer.

Mr. Joseph Kaufman left here to-day for Bedford Springs to stay during the hot weather.

Mr. W. B. Smoot left here to-day on a business trip to Springfield.

Mr. B. R. Smith who recently went to the Sweet Chrysanthemum Springs is improving and hopes soon to be restored to perfect health.

Mr. Jas. Howison, formerly of this city, but now of New York, was here to-day on a short visit to his friends.

Mrs. Olive Cook is on a visit to friends in King George county.

AN OLD VIRGINIAN AND HIS MONEY.—Shirley A. Dulin, a sixty-two-year-old citizen of White Post, Clark county, visited Washington Saturday and went about noon to a house in the "Division." There he met a young woman who called herself Belle Clifford, and they went out riding in a cab together, drank wine and enjoyed themselves, the old man spending about \$50.

When they returned to the house Dulin was put to bed. In the afternoon when he awoke he asserted that the proprietress of the house had his money—about \$1,100—and he made her give it up. Then he claimed that a \$100 bill was missing and demanded that amount of the woman, who denied his statement and refused to give him the amount claimed. He then complained to the police. Officer Sutton arrested both Dulin and Belle Clifford on a charge of grand larceny. The case was investigated yesterday at the Police Court. Mr. Dulin did not care to prosecute, as he wanted to avoid publicity. Enough evidence to warrant a trial of the woman was not furnished and a note pro, in the case was entered.

OFFICER TIGER AGAIN ACQUITTED.—Officer Samuel Tiger, who had been held under bail in the sum of \$2,000 since Friday night last on the charge of killing Fayette Lee, colored, at the local depot during a difficulty there on that night, was before Mayor Downham and Justice May this morning for examination. Mr. L. Marbury appeared for the defendant. Twenty-one witnesses were examined, but the testimony elicited nothing new and fully corroborated the statements made at the preliminary trial on Friday night and that at the coroner's inquest on Sunday, which has heretofore been published in the GAZETTE. The evidence was that Officer Tiger acted wholly in self defense, and that not only had he been knocked down but he had been kicked and beaten while he was on the ground. After the fullest investigation Officer Tiger was discharged from custody, having fully proven that he acted in self defense in shooting, and this ends the case.

POLICE REPORT.—Last night was clear and warm with one prisoner at the station house.

The Mayor this morning disposed of the following cases:

W. B. Chichester, arrested by officer Henry for an assault on his wife, was fined \$5 or given 30 days in jail.

Jas. Wilson, charged with an assault on his wife, was fined \$5 and sent to jail for 30 days.

Police Officer Samuel Tiger, charged with the killing of Fayette Lee, colored, on the night of July 4th, was acquitted as it was shown that he acted strictly in self defense.

CONFEDERATE VETERANS.—The regular monthly meeting of R. E. Lee Camp, Confederate Veterans, was held last night with Commander Smoot presiding. Four new members were elected and two applications received. The committee to whom was referred the resolution to consider the advisability of making the sons of veterans an auxiliary organization of the camp, reported favorably, and the same committee was continued with power to organize and enroll all such as were entitled and desired to be camp members. Other business of a private nature was transacted.

INTEREST PAID.—There had been paid for interest on the public debt of the city, by warrant, up to three o'clock yesterday \$12,470.50, divided as follows: Registered coupon bonds issued of 1872 \$1,800.00; registered coupon bonds, issue of 1879, \$9,127.50; interest certificate issue of 1879, \$2,673.00; and 7 notes for \$270.00 paid the devise of Wm. Canton. In addition to these payments the two notes, each for \$5,000, negotiated by authority of Council in February last, have also been paid—one on June 21st and the other July 2nd.

BEREFT OF BOTH THEIR CHILDREN.—The twin daughters of Mr. J. T. and Mrs. D. E. Callahan have both died within the past few days—the first on Friday and the second on Monday. They were stricken about the same time with that scourge of infancy—cholera infantum—and hardly had the bereaved parents performed the sad duty of consigning one little one to mother earth ere they were called upon to witness the throes of dissolution in the other.

OVERCOME BY THE HEAT.—Mr. Robert Cline, while at work at the Midland depot about noon to-day was overcome by the heat and had to be taken to his home, on Wilkes street, where, under proper restorative, he speedily recovered.

A colored man was overcome by the excessive heat on upper P. line street to-day and fell to the ground. He was subsequently taken to his home.

WILL PROBABLY RECOVER.—Geo. Pines, the colored man who was shot by Officer Samuel Tiger at the local depot on the evening of July fourth, at the time of the killing of Fayette Lee, also colored, it is thought is improving, and his physician, Dr. O'Brien, now says there is a fair probability of his recovery. The ball entered Pines' chin, passed under the tongue and lodged in the neck under the ear.

U. S. CIRCUIT AND DISTRICT COURT—

Judge R. W. Hughes presiding—Alexandria

Naval Railway and Shipbuilding Co. vs. Commander Matiano; in admiralty; argued and submitted.

In re M. A. Browning; duplicate deed ordered to be furnished to G. S. P. Triplett, who purchased property at bankrupt sale.

An order was entered directing the Marshal to place W. A. Smoot in possession of a certain piece of property which he purchased at the sale of the Alexandria Canal property.

August Schmidt vs. A. J. Dore et al.; motion to vacate a former decree and argument heard.

The petit jury was adjourned till to-morrow.

The grand jury was empaneled and returned the following:

Frank Ford, alias E. L. Ford; indicted for stealing letters from the Boston, Culpeper county, postoffice; a true bill.

Robert Hogan, colored; indicted for stealing money from the Chase City, Mecklenburg county, postoffice; not a true bill.

The grand jury was then adjourned till to-morrow, till which time Court adjourned.

ANOTHER TORRID WAVE.—As presaged in our telegraphic dispatches yesterday another hot wave struck this vicinity to-day, which proved more severe than that of last week or of any this year, the mercury in the thermometer being forced up to 99° in the shade. Man and beast sweated under it all day, and the greatest discomfort has prevailed, pedestrianism not only being uncomfortable, but dangerous. It is said that it will be a day or two before the wave will be dissipated, and that from present indications to-morrow will be as hot as to-day.

THE SHOE FACTORY.—The manufacture of shoes at the shoe factory in this city will, it is expected, be commenced on Thursday next as all the necessary machinery has arrived and been placed in position. The factory is fitted up with Smith (Philadelphia) machinery, run by a 15-horse power engine. The force numbers between twenty and thirty—of which over one half are girls. Ladies' and children's shoes are the only kind to be made at present, and from 100 to 200 pairs a day will be turned out.

NOT DEAD, BUT DRUNK.—A one-eyed man named Taylor was brought to the station house last night from West End in a semi-unconscious state, and it was thought that he had attempted suicide, as a pistol of handgun was found in his pocket. Dr. O'Brien was summoned, who, after examining Taylor, pronounced the case one of plain drunk. Subsequently the man recovered and left for his home.

Too much method will do it. Remember Dr. Blumberg's clock, whose monotonous beat rapped every second on the head as soon as it was born, killing it stone dead on the spot. Like this we fear is the murderous clockwork of many human lives; so much routine, so much every-day-the-same that the wheels of digestion and circulation barely move. If you want to quicken the dead or dying machinery of your being and restore vitality to the whole system use Storebraker's Blood and Liver Corrector. Price \$1 per bottle.

Distress After Eating.

This result of indigestion will no longer be experienced if Simmonds Liver Regulator is taken after each meal. It is such a good digester, and so mild and pleasant in its effect that it is used by many, after a hearty meal, to insure good digestion. The Regulator does not nauseate or irritate the stomach, allay acidity, dispels foul gases, allays irritation, and assists the stomach in its digestion.

MONETARY AND COMMERCIAL.

NEW YORK, July 8.—The stock market displayed considerably more animation this morning, especially among the leading stocks, while the weak tone of yesterday gave place to a strong temper, which in the first half hour generally recovered the losses of yesterday. First prices, as compared with the final figures of last evening, showed some irregularity, but the changes were generally for small fractions only and the firm tone became apparent immediately. The market subsequently became dull and steady at a slight improvement, and at 11 o'clock it was very dull and steady to firm at about the best prices reached.
